### MINISTRY OF COMMERCE AND INDUSTRY

#### PUBLIC NOTICE

#### IMPORT TRADE CONTROL

New Delhi, the 3rd February 1961

SUBJECT.—Grant of quota licences during October 1960—March 1961 period for items licensable on annual basis during April—September, 1960.

**No. 13-ITC(PN)/61.**—Attention of importers is invited to para 2(C) of Ministry of Commerce and Industry Public Notice No. 38-ITC(PN)/60 dated 31st March 1960 as reproduced in Appendix 62 to the Red Book for the October, 1960—March, 1961 period according to which quota licences in respect of items specified in Annexure II thereof could be issued to established importers on an annual basis during April—September, 1960 licensing period.

2. It has been observed that certain established importers had failed to submit applications for quota licences for items licensable on annual basis during April—September, 1960 licensing period. In some cases the applications for annual licences for such items were made by established importers after the expiry of the prescribed last date for submission of applications during April—September, 1960 period. Instances have also come to notice where on account of certain other reasons such as transfer of quota rights, establishment of quota etc. certain parties were precluded from making applications for annual licences for such items during April—September, 1960 licensing period. As no import policy has been announced during the current half year for items which were licensable on annual basis during April—September, 1960 period, such established importers are also precluded from making applications for quota licences for the half year October, 1960—March, 1961.

3. The position has been reviewed and it has been decided that established importers who had failed to submit applications for quota licences for items licensable on annual basis during April—September, 1960 period within the prescribed last date, may submit fresh applications for quota licences for such items in respect of their entitlements for six months i.e. for October, 1960—March, 1961 licensing period.

4. The established importers who had failed to submit applications for quota licences for items licensable on annual basis during April—September, 1960 period within the prescribed last date and who have not already submitted applications for quota licences during the current half year for such items may submit fresh applications for quota licences for such items for the current half year in the usual form and manner to the port licensing authorities concerned.

5. The last date for submission of such applications will be the 15th March, 1961.

K. T. SATARAWALA.  
Chief Controller of Imports & Exports.
